# WHAT ARE GROUP BOOKINGS AT BASE31?

Base31 has partnered with a collective of professionals who bring their expertise and passion to Base31 in the form of curated experiences such as workshops, classes, tours and outdoor activities.

Whether you are looking to learn about history, foraging, champagne, cheese or chocolate, or perhaps connect through creative art workshops, comedy or light installations, or maybe unwind with some restorative yoga, movement or a sound bath; we have something for every group and occasion.

**Experiences range from 45 minutes to 3 hours.**

# HOW IT WORKS?

## TOURS

### Historical Walking Tour

90 mins to 120 mins

Delve into the history and stories of Base31 with resident expert Jacqui Burley, the former Property Manager of the site when it was known as Loch Sloy. With over 22 years of experience in managing the day-to-day business and hosting events onsite, Jacqui shares the history of the buildings, memorable moments, and notable people who make up the rich history of Base31.

The tour runs 90 mins to 120 mins, and attendees are strongly encouraged to dress appropriately for the weather, including hats, water bottles and comfortable shoes.

### Self-Guided Historical Tour

60 mins

Tour-goers can listen to the history of Base31 through a series of collected live interviews from community members who share their personal history and stories about the site, as they walk through Base31's iconic grounds.

The tour explores the site's creation, contribution to national history, fascinating buildings, and the lived experiences of the servicemen, women, families and community members who made this a special place throughout decades of history.

The tour is available in both English and French.
